Availability when you need it

At Engine Rebuilder's we understand that down equipment means money down the drain. That is why we carry the largest inventory of reman skid steer engines anywhere.

Get back to work - Fast.

A Record of Reliability

We've been supplying new muscle to used skid steer loaders for over 30 years, the longest track record you'll find. Veteran machinists, some that have been here since our start, have drawn up detailed procedures for rebuilding each make of engine - so every engine you order meets the same quality standards. Every engine is manufactured to meet or beat OEM specifications. A remanufactured engine from Engine Rebuilders is much more than just *repaired*.

Every complete engine is dyno-tested to ensure absolute reliability.

Kohler Applications

The Kohler engine is supplied for Original Equipment Manufacturers including Bobcat, New Holland, and Farmboy.
