

# REMAN UPDATE

Issue 2 • Fall 2007

Skid Steer Engine Specialists.

## HIGHLIGHTING KUBOTA ENGINES

Engine Rebuilders, Inc. now offers the new Tier 2 Kubota Engines as a reman engine. These engines have the same workmanship, turn-around time, great margin for you, the dealer, and easy core exchanges as all the other Kubota engines you are used to getting for us.

We also have great prices on maintenance items for your Kubota engines that beat the price from the manufacturer. Check out these great prices:

MAINTENANCE PART	ENGINE MAKE	PRICE \$\$\$
Oil Filter	V1702, V1903, V2203	Call
	V2003T, V2003MDIT, V2203MDI, V2403MDIT	Call

## WHY BUY A REMAN ENGINE?

It's plain and simple . . . reman engines save money. Engine Rebuilders Inc. is the specialists in skid steer engines. Reman engines allow you to give your customer the best priced fix for their skid steer.

Engine Rebuilders Inc. specializes in reman skid steer engines. For 30 plus years we have been adding new muscle to tired engines. We have perfected the process saving you time and money for the dealers and their customers.

You can replace an engine for 25-30% less than buying a new engine and sometimes the installation savings add up too! Many of our engines are a direct fit into your existing machines cutting the down time and saving labor.

Engine Rebuilders Inc. is the skid steer engine specialists and provide:

- Bigger Margins for dealers
- Guaranteed turn-around time
- Guaranteed workmanship
- And we make it easy to do business
